Company profile

Ningbo German Intelligent Technology Co., Ltd. is a national high-tech enterprise committing to research, design, manufacture and sales of intelligent rehabilitation medical equipment, intelligent rehabilitation consumer electronics and sports products since 2017.

The company attaches great importance to product R&D investment. The core technical team are composed of research pioneers in intelligent rehabilitation medical treatment and senior personnels in electric and electronic engineering. The company also form close cooperation with Hangzhou Run Run Shaw Hospital, Zhejiang Hospital of Traditional Chinese Medicine, Zhejiang University Robot Research Institute, Germany Novomotec Company, etc. The company has a portfolio of gait analysis and evaluation, multi-sensor information fusion, precision mechanical design and motion control algorithms for medical and industrial applications through intelligent sensing, wireless access and transmission, and artificial intelligence.

Certified by CE, our products are currently distributed in 15+ countries across Asia and Europe. With 8 years of R&D expertise in biomechanics and ergonomics, we deliver professional-grade wellness tools accessible for both corporate environments and home offices. Our main products, including intelligent neck massagers, electric skateboards and massage guns, have been highly recognized in the domestic and international market. In 2019, the company was rated as 30 Most Promising Enterprises in Ningbo.

Intelligent Neck Massager Series

J-10 4D Intelligent Neck Massager (remote control model)

○ Features

- Targeted relief of cervical discomfort
- 4 modes and 9 force levels
- 3 hot compress levels (36-42°C)
- Ultra-light design for comfort and portability
- Automatic shutdown without operation
- Mi Home App and remote control support
- Fashionable style and package for gifts

○ Specifications

- Material: elastic plastic & silicone
- Lithium battery: 1000mAh
- Charging: DC5V/1A (DC/3.7V, 4 h)
- Net/Gross weight: 0.195kg/0.52kg
- Product size: 136*164*48mm
- Packing size: 170*256*79mm
- Packing quantity: 40 units

G-77 6D Intelligent Neck Massager (remote control model)

○ Features

- Targeted and improved relief of cervical discomfort
- 12 modes including acupuncture and kneading
- 9 force levels and 3 hot compress levels (36-42 °C)
- Ultra-light design for comfort and portability
- Automatic shutdown without operation
- Mi Home App and remote control support
- Fashionable style with 4 colors

○ Specifications

- Material: Elastic plastic & silicone
- Lithium battery: 1800mAh
- Charging: DC5V/1A (DC/3.7V, 4 h)
- Product weight: 0.465kg
- Product size: 132*170*60mm
- Packing size: 199*164*71mm
- Packing quantity: 40 units

G-79 8D Intelligent Neck massager (remote control model)

○ Features

Targeted and excellent relief of cervical discomfort
4 modes including acupuncture and hammering
9 force levels and 3 hot compress levels (36-42°C)
Ultra-light design for comfort and portability
Automatic shutdown without operation
Mi Home App and remote control support
Fashionable style with 3 colors

○ Specifications

Material: elastic plastic & silicone
Lithium battery: 1800mAh
Charging: DC5V/1A (DC/3.7V, 4 h)
Net/Gross weight: 0.208kg/0.595kg
Product size: 140*160*56mm
Packing size: 203*178*68.5mm
Packing quantity: 40 units

Intelligent Shoulder and Neck Massager Series

J-001 8D Shoulder and Neck Massager

○ Features

Targeted relief of trapezius discomfort
Soothing/Power/Sleep mode
3 hot compress levels (36-42°C)
Voice broadcasting
8 independent massage heads

○ Specifications

Material: ABS plastic & PU leather
Lithium battery: 1800mAh
Charging: DC5V/2A (DC/3.7V, 3 h)
Net/Gross weight: 1.06/1.48kg
Product size: 236*666mm
Packing size: 257*164*165mm
Packing quantity: 20 units

U-100 U-shaped Neck Massage Pillow

○ Features

- Multi-function for relieving cervical, waist, arm and leg muscle
- Strength/gentle/cycle/sleep mode with hot compress (36~42 °C)
- 20 massage floating point with ergonomic principles
- Double-sided wearable and skin-friendly
- Automatically shutdown without operation

○ Specifications

- Material: PU leather & memory cotton
- Lithium battery: 1500mAh
- Charging: DC5V/1A (2.5-3h)
- Net/Gross weight: 0.645/1.25kg
- Product size: 285*299*122mm
- Packing size: 295*305*130mm
- Packing quantity: 24 units

U-103 U-shaped Neck Massage Pillow X

○ Features

- Multi-function for better relieving cervical, waist, arm and leg muscle
- Strength/gentle/cycle/sleep mode with hot compress (36~42 °C)
- Double-sided wearable and skin-friendly
- Automatically shutdown without operation
- Mi Home App and remote control support

○ Specifications

- Material: ABS & Memory cotton
- Lithium battery: 1800mAh
- Charging: DC5V/1A (2.5-3h)
- Net/Gross weight: 0.634/1.13kg
- Product size: 212*220*100mm
- Packing size: 262*256*123mm
- Packing quantity: 24 units

U-102 Electric Multi-functional Neck Massager (standard model)

○ Features

- Targeted relief of neck and shoulder discomfort
- SPA/vibration/scraping/Soothing mode with heat (36~42 °C)
- Infrared pyretic moxibustion and overheat protection
- Automatic shutdown without operation
- Music playback

○ Specifications

- Material: PU leather & memory foam
- Charging: DC12V/2A

U-101 Electric Multi-functional Neck Massager (updated model)

○ Features

- Improved relief of neck and shoulder discomfort
- SPA/vibration/scraping/Soothing mode with heat (36~42 °C)
- Infrared pyretic moxibustion and overheat protection
- Automatic shutdown without operation
- Music playback

○ Specifications

- Material: PU leather & memory foam
- Charging: DC12V/2A

U-101 Electric multi-functional Neck Massager (charging standard model)

○ Features

- Excellent relief of neck and shoulder discomfort
- SPA/vibration/scraping/Soothing mode with heat (36~42 °C)
- Infrared pyretic moxibustion and overheat protection
- Automatic shutdown without operation
- Music playback

○ Specifications

- Material: PU leather & memory foam
- Lithium battery: 2000-2500MAH
- Charging: DC8.4V/1A (2.5-3 hours)
- Net/Gross weight: 1.74/2.46kg

- Product size: 389*250*158mm
- Packing size: 257*164*165mm
- Packing quantity: 12 units

J-100 Neck Support Massager

○ Features

- Relief of cervical discomfort with heat
- Prevent head bowing and neck forward leaning
- Suitable for multiple age groups

○ Specifications

- Color: Blue, Red, Creamy white
- Material: ABS
- Lithium battery: 800mAh (DC5V/1A)
- Product size: 189*175*102mm
- Color box size: 225*110*250mm

J15 Intelligent Neck Massager

○ Features

- Relief of cervical discomfort
- Power/gentle/intelligent/sleep mode
- 3 hot compress levels (35-42 °C)
- Voice broadcast
- 360 degree rotating massage head
- No cloth cover design for breathability

○ Specifications

- Internal lithium battery: 2500mAh
- Charging: DC5V/2A (5 h)
- Product size: 236*169*139mm
- Packing size: 250*183*153mm
- Outer box size: 760*376*469mm
- Packing quantity: 12 units

V5 2 in 1 Neck Traction Massager (multi-functional neck health device)

○ Features

- 6 massage modes with infrared hot moxibustion
- 3 adjustment shapes with ergonomics
- Large smart LCD screen for the elderly

○ Specifications

- Material: Hard plastic & silicone
- Lithium battery:
- DC3.7V 1200mAh & DC3.7V 180mAh
- Charging:
- DC3.7V 1200mAh (4 h) & DC3.7V 180mAh (30 mins)
- Packing size: 43*18.5*28.5cm
- Product weight: 2.1kg
- Net/Gross weight: 11.5/12.5kg
- Packing quantity: 5 units

YR-C-FO-01 Intelligent Neck Traction Device

○ Features

- Intelligent cervical exercise assistant with heat
- 3D biomimetic recommendation and support
- 3 Traction levels (0-50mm & 8-25kg)
- Multi-directional lifting
- Wireless and bidirectional dynamic stretching

○ Specifications

- Power supply: DC/7.4V
- Rated power: 7W
- Rated voltage: 5V
- Net weight: 0.6kg
- Product size: 220*205*182mm

Whole Body Massager Series

T-101 Intelligent Head and Eye Massager

○ Features

- Relief fatigue of eyes and head with heat (36 ~ 42°C)
- 3 airbag-soothing modes: vitality/Soothing/sleep mode
- long battery life for 5 days utilization (30 minutes per day)
- Smart button and remote control
- Support mobile phone fast charging

○ Specifications

- Material: skin-friendly ABS
- Lithium battery: 1200mAh
- Charging: DC5V/1A (2.5-3h)
- Net/Gross weight: 0.46/0.9kg
- Product size: 287*209mm
- Packing size: 315*160*93mm
- Packing quantity: 20 units

T-100 Intelligent Head Massager

○ Features

- Relief of head fatigue with heat
- 10 massage claws with 6 soothing massage modes
- 10 thermal beads with 3 heat levels
- External pulse electrode for arms and shoulders massage
- Lullaby playback
- Mi Home App and remote control support

○ Specifications

- Material: Stretchy plastic, silicone & acrylics
- Lithium battery capacity: 1800mAh
- Net/Gross weight: 0.382/0.588kg

- Product size: 178.1*171.4mm
- Packing size: 191*171*181mm
- Packing quantity: 12 pieces/ctn

T-102 Intelligent Head Massager (hat style)

○ Features

- Targeted relief of head fatigue with hot compress (40°C)
- 3 modes: vitality/soothing/sleep mode
- Airbag kneading technology
- Skin friendly and no sense wear
- Long battery life for 5-7 days utilization (30 minutes per day)
- Intelligent button and remote control

○ Specifications

- Material: ABS & Silicone
- Lithium battery: 1200mAh
- Charging cable: DC5V/1A (DC3.7V, 4 h)
- Net/Gross weight: 0.46/0.9kg
- Product size: 287*209mm
- Packing size: 315*160*93mm
- Packing quantity: 24 units

T-103 Intelligent Head massager (all-in-one)

○ Features

- Targeted relief of head fatigue with hot compress (40°C)
- 3 modes: vitality/soothing/sleep mode
- Airbag kneading technology
- Skin friendly and no sense wear
- Long battery life for 5-7 days utilization (30 minutes per day)

○ Specifications

- Material: ABS & Silicone
- Lithium battery: 1200mAh
- Charging cable: DC5V/1A (DC3.7V, 4 h)
- Net/Gross weight of product: 0.46/0.9kg
- Product size: 287*209mm
- Packing size: 315*160*93mm
- Packing quantity: 24 units

G-11 Intelligent Scraping Skin massager

○ Features

Pain relief of scraping skin
3 massage mode with heat (45°C)
5 heat levels and 5 vibration levels
Digital display and voice broadcast
Design with ergonomic for comfort

○ Specifications

Material: Hard plastic
Lithium battery DC3.7V 800mAh;
Charging: DC5V/1A

Product weight: 86g
Product size: 100*85*25mm
Packing size: 153*153*56mm
Packing quantity: 100pcs/ctn

G-12 Intelligent Scraping Skin Massager(stone needle model)

○ Features

Pain relief of scraping skin with stone needle
3 massage mode with heat (45°C)
5 heat levels and 5 vibration levels
Digital display and voice broadcast
Design with ergonomic for comfort

○ Specifications

Material: Hard plastic & stone needle
Lithium battery DC3.7V 800mAh
Charging cable: DC5V/1A

Product weight: 86g
Product size: 100*85*25mm
Packing size: 153*153*56mm
Packing quantity: 100 units

E-001 Intelligent Eye Massager

○ Features

Relief of eyes fatigue
2 hot moxibustion levels (36-42°C)
Skin friendly and no sense wear

○ Specifications

Material: ABS
Lithium Battery: 400mAh (DC5V/1A)
Product size: 700*88*22mm

K-001 Intelligent Knee Massager

○ Features

Relief of knee fatigue
Vibration, red light & heat (36-42°C)

○ Specifications

Material: ABS
Battery capacity: 2000mAh (DC/3.7V)
Product size: 192*303*133mm
Color box size: 220*323*155mm

J19 Knee massager

○ Features

Relief of knee fatigue
Vibration, red light & heat (38-45°C)
Digital display

○ Specifications

Lithium battery: 2000mAh (DC:5V/1A)
Net/Gross weight: 0.365/0.5kg
Packing size: 280 * 153 * 56mm
Outer box size: 890 * 480 * 400mm
Packing quantity: 54 units

J20 Calf Massager

○ Features

Relief of calf fatigue
Vibration, red light & heat (41-45°C)
Digital display

○ Specifications

Rated input: DC:5V/1A
Lithium battery : 2000mAh
Net weight of product: 0.45kg
Product size: 570 * 320 * 50mm
Packaging size: 400 * 180 * 70mm

J23 Cold and Heat Soothing Device

○ Features

Cold (5-14 °C) & hot compress (33-40 °C),
Touchable screen

○ Specifications

Color: White
Rated input DC: 5/2A
Battery capacity: 2000mAh

C-001 Intelligenet Chest Massager

○ Features

Vibration massage and heat for chest
3 hot moxibustion temperature levels (36-42°C)

○ Specifications

Material: Silicone
Battery capacity: 1200mAh (DC5V/ 1A)
MINI remote control: DC/3V
Product size: 135*115*55mm

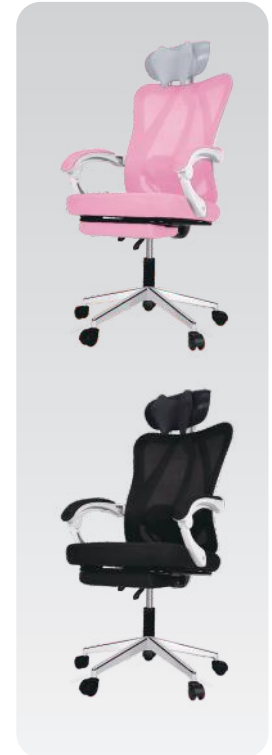

V22 Massage robot

○ Features

Under development, coming soon...

Intelligent Office Massage Chair

B-005 Intelligent Office Massage Chair

○ Features

Relieve fatigue of whole body in the office setting
Massage waist and neck
Seat pad heating
Unique technology all over the world

○ Specifications

Color: Customized
Material: Plastic, Metal & Cloth
Unit weight: 15kg
Battery capacity: 1200 -1800mAh
Product size: 62*62*131cm(MAX)

Healthy Sports Series

S-001 Intelligent Electric Skateboard 1

○ Features

- Horse race lamp
- Foot switch & hands free

○ Specifications

- Material: PP
- Power: 100W
- Endurance mileage: 7-10km
- Maximum load bearing: 70kgs
- Maximum speed: 15km/h
- Product size: 645*200*210mm

S-002 Intelligent Electric Skateboard 2

○ Features

- Health sport & funny life
- Foot switch & hands free

○ Specifications

- Material: PP
- Power: 100W
- Endurance mileage: 7-10km
- Maximum load bearing: 60kgs
- Maximum speed: 15km/h
- Product size: 634*234*130mm

S-003 Intelligent Electric Skateboard 3

○ Features

- Health sport & funny life
- Foot switch & hands free
- Remote control

○ Specifications

- Product size: 778*208*170mm

JM-003 Massage Gun (brushless model)

○ Features

- Muscle relaxing
- 6 adjustment levels & 6 massage heads
- Stylish shape & portable

○ Specifications

- Material: ABS
- Lithium battery: 1500mAh
- Charging: DC5V/1.5A (3h)
- Product size: 133x207x50mm

- Product weight: 0.65kg
- Net/ Gross weight: 26.5/28kgs
- Packing quantity: 40 units

JM-002 Massage Gun

○ Features

- Muscle relaxing
- 6 adjustment levels & 6 massage heads
- Stylish shape & portable

○ Specifications

- Material: ABS
- Lithium battery: 1500mAh
- Charging: DC5V/1.5A (3 hours)
- Product size: 138 * 126 * 41mm

- Packing size: 267 * 194 * 59mm
- Product weight: 0.65kg
- Packing quantity: 40 units

LC-002 Massage Gun (colorful model)

○ Features

Targeted relief of different muscle groups
4 types of massage heads & 9 force levels
High definition and colorful LCD screen

○ Specifications

Motor speed: 3200r/min Battery capacity: 1500mAh
Input voltage: 5V Charging: DC5V (4 h)
Product gross weight: 0.68kg
Product size: 208*156*40mm
Packaging size:
208*187*68mm
Packing quantity: 20 units

LC-005 Massage Gun

○ Features

Targeted relief of different muscle groups
6 gears adjustment & 4 massage heads
Low noise motor
Stylish shape & portable

○ Specifications

Material: ABS
Lithium battery: 2000mAh
Charging time: DC5V/1.5A (3 h)
Product weight: 0.460kg
Product size: 142*140*56mm
Packing size: 223*190*65mm
Packing quantity: 20 units

LC-003 Massage Gun (high-power brushless model)

○ Features

Targeted relief of different muscle groups
10 adjustment levels & 8 massage heads
Stylish shape & portable
Digital display & intelligent touchable control

○ Specifications

Material: ABS
Massage depth: 12mm
Battery capacity: 3600mAh
Charging time: 4-5 h
Product size: 240*210*60mm
Storage bag size: 290*235*75mm
Box size: 300*240*90mm
Packing quantity: 10 units

LC-001 Massage Gun (CD model)

○ Features

Targeted relief of different muscle groups
32 adjustment levels & 4 massage heads
High frequency vibration & 55 shocks per second
Stylish shape & various colors
Digital display & intelligent touchable control

○ Specifications

Material: ABS & stainless steel	Product size: 208*156*40mm
Battery capacity: 1200mAh	Packaging size:
Charging time: DC/5V (4 h)	208*187*68mm
Motor power: 30W	Packing quantity: 20 units
Product gross weight: 0.68kg	

HB-005 Pro Massage Gun

○ Features

- Targeted relief of different muscle groups
- Lightweight structure & portable
- 4 massage heads & 32 speed levels
- Ultra-long battery life
- Stylish shape & various colors
- Digital display & intelligent touchable control

○ Specifications

- Massage depth: 8mm
- Battery capacity: 1800mAh
- Product size: 141 * 42 * 333mm
- Packaging size: 270 * 230 * 58mm
- Product gross weight: 0.82kg
- Packing quantity: 20 units

LC-006 Massage Gun(Mechanical model)

○ Features

- Targeted relief of different muscle groups
- Lightweight structure & portable
- 4 massage heads & 6 speed levels
- Stylish shape & various colors
- Digital display & intelligent touchable control

○ Specifications

- Material: ABS & stainless steel
- Charging time: DC5V (4 h)
- Product gross weight: 0.75kg
- Product size: 14*15.5*5cm
- Packaging size: 21*21*6cm
- Packing quantity: 20 units

Waist and Abdomen Massager Series

G100 4D Waist and Abdomen Massager (stainless steel version)

○ Features

- Relax abdominal muscles with the ergonomic design
- Promote intestinal peristalsis & Relieve bloating and indigestion
- High elastic breathable fabric & sweat absorption
- 4 modes & 16 massage force levels
- Skin-friendly & Intelligent remote control

○ Specifications

- Material: high elastic breathable fabric
- Lithium battery: 1800mAh
- Charging: DC5V/1A (DC3.7V, 4 h)
- Hot moxibustion temperature: 36-42°C
- Product size: 220*130*20mm
- Packing size: 251*146*55mm
- Net/Gross weight: 0.2/0.54kg
- Packing quantity: 40 units

*4D Waist and abdomen
massage instrument
(silica gel version)

*2D Waist and abdomen
massage instrument
(silica gel version)

J16 Intelligent Mid-frequency Lumbar Massager

○ Features

- Soothing tendons and meridians with ergonomics design
- Relaxing lumbar muscles & relieving fatigue with heat
- High elastic breathable fabric & sweat absorption
- Multiple modes & massage force levels
- Skin-friendly & Intelligent remote control

○ Specifications

- Working voltage: 7.4V
- Battery capacity: 2500mAh
- Packaging dimensions: 448*120*366mm
- Execution standard: GB4706.1-2005 GB4706.10-2008
- Packaging dimensions: 448*120*366mm

KDL-N88 GAX Intelligent Menstrual Heating Belt

○ Features

- Relax abdominal muscles with the ergonomic design
- Relieve menstrual pain for woman
- Promote intestinal peristalsis & Relieve bloating and indigestion
- High elastic breathable fabric & sweat absorption
- Skin-friendly & Intelligent remote control

○ Specifications

- Rated input: 5V/1A
- Hot moxibustion temperature: 39-44 °C
- Battery capacity: 1800mAh
- Product net weight: 0.18kg
- Packaging size: 212*133*55mm

KDL-N87 Intelligent Stomach Warming Belt (updated model)

○ Features

- Relax abdominal muscles & promote intestinal peristalsis
- 3 vibration levels & 3 heat levels (42°C)
- Skin-friendly suede & quickly heated silicone PVC
- Promote intestinal peristalsis

○ Specifications

- Material: hard plastic & suede
- Lithium battery: 1800MAH;
- Charging: DC5V/1A (3-4 h)

- Product size: 205*90*30mm
- Product weight: 0.225kg
- Packing size: 215*135*58mm
- Packing quantity: 40 units

KDL-N86 Intelligent Stomach Warming Belt (flagship model)

○ Features

- Relax abdominal muscles & promote intestinal peristalsis
- 3 vibration levels & 3 heat levels (42°C)
- Skin-friendly suede

○ Specifications

- Material: hard plastic & suede
- Lithium battery DC3.7V 1800MAH;
- Charging: DC5V/1A (3-4 h)

- Product size: 205*90*30mm
- Product weight: 0.225kg
- Packing size: 215*135*58mm
- Packing quantity: 40pcs/ctn

F-82 Waist and Abdomen Massager with Stone Needle

○ Features

- Relax abdominal muscles with heat and stone needle
- 4 modes and 3 levels of adjustment massage

○ Specifications

- Material: ABS plastic
- Internal lithium battery: 2000mAh
- Charging time: DC12.6V/1A (2.5-3h)
- Operation time: 150 mins

- Product weight: 1.5kg
- Product size: 201*210*90mm
- Packing size: 332*154*160mm
- Packing quantity: 12pcs/ctn

J21 Tai Chi Waist Massager

○ Features

- Relax abdominal muscles with the ergonomic design
- Promote intestinal peristalsis & Relieve bloating and indigestion
- Vibration & heating
- Remote control

○ Specifications

- Hot moxibustion temperature: 38-41 °C
- Battery capacity: 2500mAh
- Product net weight: 0.209kg
- Packaging size: 442 * 203 * 98mm
- Packing quantity: 12 units

J17 Salt Bag Abdomen Massager

○ Features

- Relax abdominal muscles & Promote intestinal peristalsis
- Selected natural sea salt & Kangtong alloy heating wire
- 3 hot compress levels (40-42 °C)
- Intelligent voice broadcast
- Suitable for people of all body types.

○ Specifications

- Battery: 1800mAh
- Charging: DC5V/1A (DC 4.2V, 4h)
- Net/Gross weight: 0.8/0.86kg
- Product size: 1200*220*20mm
- Packing size: 450*230*50mm
- Packing quantity: 20 units
